Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. § 1.56, 1.97 and 1.98, Applicants hereby make of record in the above-identified application, this application is a National Stage Entry of International Application No. PCT/US03/38899 filed December 8, 2003, Claims Priority from U.S. Provisional Patent Application No. 60/431,662 filed December 8, 2002, the documents listed on the attached Form SB/08.

Applicants have listed publication dates on the attached form SB/08 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated. Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not an issue.
